INDEX TO VOLUME XXV

1943

SUBJECTS

A desirable wartime land policy, 166
A post mortem on county planning, 644
A reaction to land value control proposals, 822
A specific-risk scheme for wheat crop insurance, 759
Adaptation of crop insurance to tobacco, 410
Agricultural commodities in the post-war period, chronic surpluses of, 743
Agricultural goals for 1943, techniques for achieving, 84
Agricultural post-war planning, Canadian, 326
Agricultural price policy, January 1943, 1
Agricultural production goals, contributions of Farm Security Administration borrowers to, 101
Agricultural production in 1943, resources available for, 65
Agricultural production in the corn belt, farm labor situation and its effect on, 278
Agricultural production, the influence of managerial ability and size of farm on the efficiency of, 105
Agriculture, German, collective bargaining in, under the Weimar Republic, 458
Agriculture in an expansionist economy, 36
Agriculture of South Central Brazil, changes in the, 622
Agriculture when the war ends, 309
American Farm Economic Convention, 1943 program plans for the, i, (August issue)
Annual meeting, program of the thirty-third, 362
Annual reports, 351

Brazil, changes in the agriculture of South Central, 622
Britain's wartime food policy, 384
Business price policies, constitutional aspects of public regulation of, 560

Canada, farm labour situation in, 287
Canadian agricultural post-war planning, 326
Changes in the agriculture of South Central Brazil, 622
Chronic surpluses of agricultural commodities in the post-war period, 743
Collective bargaining in German agriculture under the Weimar republic, 458
Commercial dairy herds, diminishing returns in feeding, 397
Conservation of transportation, wartime problems of, 147
Constitutional aspects of public regulation of business price policies, 560
Contribution of farm management research to attainment of production goals, 110
Contributions of farm security administration borrowers to agricultural production goals, 101
Control, government, after the war, 807
Controlling hog prices during the transition from war to peace, 777
Corn belt, farm labor situation and its effect on agricultural production in the, 278
County planning, a post mortem on, 644
Crop insurance, adaptation of, to tobacco, 410
Crop yield index numbers, 583

Dairy herds, commercial, diminishing returns in feeding, 397
Diminishing returns in feeding commercial dairy herds, 397

Efficiency of agricultural production, the influence of managerial ability and size of farm on, 105
Efficiency of feeding livestock, the, 599
Essential food requirements in wartime, 835
Expansionist economy, agriculture in an, 36

Factor analysis, new light on, 477
Farmers and organized labor, 367
Farm income, what is a minimum adequate? 662
Farm labor adjustments after World War I, 269
Farm labor and food production, 301
Farm labor situation and its effect on agricultural production in the corn belt, 278

Farm labor situation in Iowa, 295
Farm labor situation, Ohio, 298
Farm labour situation in Canada, 287
Farm management research, contribution of, to attainment of production goals, 110
Farm output, maintaining, with a scarcity of production factors, 95
Farm price parity, industrial wage policies and, 52
Food production policies in wartime, 545
Farm products, the impact of war on marketing, 120
Farm Security Administration borrowers contributions of, to agricultural production goals, 101
Farm tenure under the strain of war, 235
Feeding livestock, the efficiency of, 599
Food administration experience with hogs, 1917–19, 444
Food policy Britain's wartime, 384
Food price control—policy and mechanics, 19
Food production, farm labor and, 301
Food requirements in wartime, essential, 835
Food waste in distribution and use, 848

German agriculture under the Weimar Republic, collective bargaining in, 458
Government control after the war, 807
Great Plains, irrigation development and area adjustment in the, 433

Hog prices, controlling, during the transition from war to peace, 777
Hogs, food administration experience with, 1917–19, 444
Honor roll, 544, 739, 913
How farmers are meeting the scarcity of labor, 305
Hypotheses in land tenure research, 860

Impact of war on marketing farm products, the, 120
Industrial wage policies and farm price parity, 52
Influence of managerial ability and size of farm on the efficiency of agricultural production, 105
Internal trade barriers for margerine, 793
Iowa, farm labor situation in, 295
Irrigation development and area adjustment in the Great Plains, 433

Labor, how farmers are meeting the scarcity of, 305
Land market developments and the war, 190
Land market regulations, 203
Land policy, a desirable wartime, 166
Land tenure in Mexico, 219
Land tenure research, hypotheses in, 860
Land tenure research project, organization and objectives of the regional, 245
Land utilization and policy in the northern plains, war developments in, 176
Land value control proposals, a reaction to, 822
Livestock the efficiency of feeding, 599

Maintaining farm output with a scarcity of production factors, 95
Managerial ability and size of farm, the influence of, on the efficiency of agricultural production 105
Margarine, internal trade barriers, for, 793

New light on factor analysis, 477
News items, 535, 734, 908
1943 book campaign, 914
North central regional land tenure committee, work and plans of the, 258

Ohio farm labor situation, 298
Organization and objectives of the regional land tenure research project, 245
Organized labor, farmers and, 367

Parity and progress, 419
Post mortem on county planning, a, 644
Post-war planning, Canadian agricultural, 326
Price control, food—policy and mechanics, 19
Price control programs, prices paid by farmers: Their use in administering wartime, 338
Price parity, farm, industrial wage policies and, 52
Price policy, agricultural, January 1943, 1
Prices paid by farmers: their use in administering wartime price control programs, 338
Production goals, contribution of farm management research to attainment of, 110
Program of the Thirty-third annual meeting, 362
Program plans, 1943, for the American Farm Economic Association, i, (August issue)

Progress, parity and, 419
Publications received, 510, 705, 890

Reaction to land value control proposals, a, 822
Regional land tenure committee, work and plans of the North Central, 258
Regional land tenure research project, organization and objectives of the, 245
Regulation of business price policies, constitutional aspects of public, 560
Research, land tenure, hypotheses in, 860
Resources available for agricultural production in 1943, 65

Scarcity of labor, how farmers are meeting the, 305
Scheme for wheat crop insurance, a specific-risk, 759
Specific-risk scheme for wheat crop insurance, a, 759
Surpluses, chronic, of agricultural commodities in the post-war period, 743

Techniques for achieving agricultural goals for 1943, 84
Thirty-third annual meeting, program of, 362
Tobacco, adaptation of crop insurance to, 410
Trade barriers, internal, for margarine, 793
Transportation, wartime problems of conservation of, 147

War developments in land utilization and policy in the northern plains, 176
War, farm tenure under the strain of, 235
War, government control after the, 807
War, impact of the, on marketing farm products, 120
War, land market developments and the, 190
Wartime, essential food requirements in, 835
Wartime food policy, Britain's, 384
Wartime, food production policies in, 545
Wartime land policy, a desirable, 166
Wartime price control programs, prices paid by farmers: their use in administering, 338
Wartime problems of conservation of transportation, 147
Waste, food, in distribution and use, 848
What is a minimum adequate farm income? 662
Wheat crop insurance, a specific-risk scheme for, 759
Work and plans of the North Central regional land tenure committee, 258
World War I, farm labor adjustments after, 269
